For: SUPER-ABSORBENT :
HYDROGEL FOAMS : Confirmation No: 8278

PETITION TO SUSPEND ACTION UNDER 37 CFR 1.103(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition to suspend action for cause in the above-identified application for up to six (6) months. A second suspension for six months was granted in a Communication dated September 24, 2004. Payment of the fee under 37 CFR 1.17(h) from Deposit Account 503388 is authorized herewith.

Applicants request the aforementioned period of time in order to reissue U.S. Patent 6,271,278, which was granted on the parent application of the instant divisional application. Reissue is requested in order to correct an inadvertent failure to indicate that the aforementioned patent is a continuation-in-part of a prior co-pending application, i.e., the application culminating in U.S. Patent 5,750,585.

U.S. Serial No. 09/811,248

This matter was discussed in a telephone conversation on March 23, 2004 with Examiner John Cooney, who indicated that the reissue application has only recently been docketed to his attention. The Examiner indicated in that conversation that examination of the reissue application will commence forthwith. Applicants look forward to an imminent notification of the aforementioned reissue so that action in the present application can recommence without further delay.

If, in the opinion of the Examiner, a telephone conversation could expedite prosecution, the Examiner is invited to telephone the undersigned at the number given below.
